Dear Madam,

## REQUEST FOR APPROVAL TO CARRY OUT REPAIR WORKS AT GOVERNMENT COLLEGE LAGOS, ERIC MOORE ROAD, SURULERE

We write as concerned Stakeholders and Old Boys of Government College Lagos.

For a long time, our School premises has been a den for miscreants and others who have taken advantage of the broken and low fence to squat in school buildings, vandalise and cart away school property and generally to dump refuse.

On a number of occasions, Local Police and Environmental Task Force have conducted raids to flush out miscreants, particularly from the Assembly Hall /Admin offices Building. Sadly, these exercises have been in futility as squatters and miscreants on every occasion return shortly after to carry on with their activities due to the porous state of security arising from broken and generally low fencing and easy access into Buildings.

In this regard, Government College Lagos Old Boys Association (GCLOBA) humbly request for approval to carry out the following repair works at our Alma Mater:

### (a) School Fence

To fix all broken fences as well as raise the School fence to a level secure and appropriate for a public institution on a major public road (10 to 12 ft). As part of this, we will arrange for clearing of refuse dumped on site.
